

FALKIRK OTTER ASC

2011 Membership Fee's

It is that time again for the registration of swimmers who wish to continue membership of the club. We are required to register the swimmer's names with SASA by the end of March 2009. With out membership of the club there is no SASA registration and as such the individual has no SASA number or insurance and the swimmers are therefore ineligible to participate in club or Gala meetings. It has been agreed that the annual membership charges for this year will remain the same as 2010, despite SASA charge increase. The membership will be £65 for single Membership and £120 for Family membership.

As you are aware this club is self-funding and we depend on the receipt of all the membership fees to assist with and enable payments for pool facilities, licenses and insurances to the various regulatory bodies.

We would therefore appreciate if all swimmers still wishing to continue membership of the club could pay their membership fee prior to the 11th March 2011. Payment can be made on a Sunday or Monday night training sessions to a member of the committee we would appreciate if this could be by cheque rather than cash.

This year all membership **RENEWALS**, will entitle the swimmer to a 'Falkirk Otter ASC Lazer Speedo Towel. Please ask the committee member taking your membership payments for this unique offer.

Thanking you for your continued support of the Falkirk Otter ASC.

The Committee

Fee's are: - £65 Single Swimmer Membership
£120 Family Membership
